

Ski and snowboard test

The glacier above Saas-Fee will be the ultimate testing ground from 4th October to 30th November 2008. The latest models of 13 ski and 14 snowboard manufacturers await pampered snow athletes. Optimally prepared pistes, a freestyle paradise with a halfpipe and our attractive "Ski & Snowboard Test" package promise a roaring start to the season!

At the most attractive ski and snowboard test in the Alps, nobody is merely a spectator. Test the new skis and snowboards this autumn and discover first-hand the latest products the winter sports industry has to offer this year.

The ski and snowboard tests can be booked starting from 2 nights in a hotel or from 4 nights in a holiday apartment.
