You will receive the SaastalCard from your first overnight stay in a partner accommodation and for the camper park at the tourist office.

## Are you going on an excursion by car during your stay?

In this case, we recommend paying the ticket for the entire duration of your stay at the parking office (at the barriers, Terminal A) in advance. Entrances and exits are thus possible with the same ticket.

## Advance payment

Advance payment of parking fees is possible at the parking office.
