

Please read the following instructions carefully before starting the virtual reality experience. By putting on the VR headset, you confirm that you have read and agreed to this information.

---

## Safety Instructions

### 1. Independent Use:

This VR station is unattended. Use is at your own responsibility.

### 2. Health Requirements:

The VR experience includes intense visual impressions and simulated flying. It is **not suitable for** individuals with:

- severe fear of heights,
- severe claustrophobia,
- tendency to dizziness or nausea,
- epileptic seizures or neurological disorders,
- cardiovascular problems,
- or during pregnancy.

### 3. Age Restriction:

The use of the VR headset is permitted for children under the age of 10 and is recommended for those aged 13 and above.

Children under 13 may only use it under the supervision and responsibility of a legal guardian.

### 4. Use at Your Own Risk:

Only put on the VR headset if you feel physically well.

**Stop** the experience immediately if you feel unwell.

### 5. Behavior During Use:

- Remain **seated calmly** throughout the experience.
- **Do not stand or walk** around while wearing the VR headset.

- Please **remove gloves** before use and make hand **movements carefully**.
- 

## Disclaimer of Liability

Use of the VR station is at your **own risk**.

The operator assumes **no liability** for:

- health complaints or injuries arising from use,
- improper handling of the VR equipment,
- damage to personal clothing or brought items,
- loss or theft of personal belongings during use.

In the case of willful damage or improper use, we reserve the right to claim damages.

---

**By starting the experience, you acknowledge and accept these terms.**

Thank you for your attention – we wish you an impressive VR experience!
